RP Communities Earns 2024 Great Place To Work Certification

Chattanooga, TN — RP Communities is proud to be Certified by Great Place To Work. The prestigious award is based entirely on what current employees say about their experience working at RP Communities. This year, 92% of employees said it's a great place to work- 35 points higher than the average U.S. Company.

Great Place To Work is the global authority on workplace culture, employee experience, and the leadership behaviors proven to deliver market-leading revenue, employee retention and increased innovation.

“Great Place To Work Certification is a highly coveted achievement that requires consistent and intentional dedication to the overall employee experience,” says Sarah Lewis-Kulin, the Vice President of Global Recognition at Great Place To Work. She emphasizes that Certification is the sole official recognition earned by the real-time feedback of employees regarding their company culture. “By successfully earning this recognition, it is evident that RP Communities stands out as one of the top companies to work for, providing a great workplace environment for its employees.”

“We are thrilled to become Great Place to Work Certified. We consider employee experience a top priority every day,” said Chief Operating Officer of RP Communities, Chris Todd. “We owe our continued success to our team of dedicated employees at RP Communities. We celebrate and thank them for all they do to earn this incredible recognition.”
